

Bihar Super 30

Personalised mentorship and guidance for JEE and NEET aspirants

Foundation Program — Prospectus

PROGRAM OVERVIEW

The best preparation starts before pressure takes over. Our Foundation guidance helps young students understand ideas properly, ask questions confidently and build a healthy study routine that will support them in the years ahead.

Who it is for: Class 8-10 students building early fundamentals for future JEE/NEET preparation

Duration: Support for students in Classes 8 to 10

WHAT YOU GET

- Strong foundations in Maths and Science
- Study habits that reduce last-minute pressure
- Regular check-ins to spot gaps early
- Guidance on school exams, Olympiads and future choices
- Age-appropriate problem-solving practice
- A gentle pathway towards Class 11 preparation

PROGRAM STRUCTURE

Class 8 Foundation

Early foundation building for Class 8 students.

Class 9 Foundation

Foundation continuation for Class 9 students.

Class 10 Foundation

Final foundation year before Class 11 JEE/NEET tracks begin.

ADMISSION PROCESS

1. Tell Us Your Goal

Share the student's class, target exam and current preparation level.

2. Speak With Us

We listen to the student's needs and answer the family's questions clearly.

3. Choose a Plan

Together, we identify the guidance and support that fits the journey ahead.

4. Begin With Confidence

Start with a practical plan, regular reflection and steady encouragement.

FEES & SCHOLARSHIPS

Fee structure and scholarship eligibility are discussed individually during your enquiry call, based on the program and batch chosen. A registration fee is payable securely online through the admission form when you apply.
